Re: Catherine Duskin v. United Parcel Service, Inc.
United States District Court, Southern District of New York
Case No.: 7:19-cv-09911 (KMK) (PED)

Dear Judge Karas:

I represent defendant, United Parcel Service, Inc., in connection with the above-referenced matter. I am writing at the Court's direction to request an adjournment of the Conference scheduled before your honor on May 25, 2021.

Due to the fact that the plaintiff refused to answer various pertinent questions and abruptly terminated her deposition on April 14, 2021, a conference was held before Magistrate Judge Paul E. Davison on May 11, 2021. During the conference plaintiff's counsel was directed to file an application to withdraw pursuant to Local Civil Rule 1.4. by May 18, 2021 and Plaintiff was given until May 25, 2021 to respond. As a result, discovery has not been completed and the underlying issues that were discussed with Judge Davison remain unresolved until the motion is decided.

In light of the foregoing, it is respectfully requested your Honor adjourn the May 25, 2021 conference to a date sufficiently long enough to resolve these issues and to complete the necessary discovery. I anticipate that at least 3 months would be necessary to accomplish the foregoing.

I thank you in advance for your assistance in this matter.

Very truly yours,

David S. Kritzer
